40 ESEA programs	55 ESEA programs	32 ESEA programs	47 ESEA programs	89 ESEA programs	45[#] ESEA programs

*In 1994, the Democrat-controlled Congress passed and President Clinton signed a bill *authorizing* 63 programs at \$12.6 billion, though ultimately only 40 programs were funded for \$10 billion through *appropriations*.

** \$18.41 billion was funded through regular appropriations & additional funding was added in the Summer Supplemental (Public Law 107-20)

Though the Committee reports 45 total ESEA programs, **there are 20 programs "authorized" under the Fund for the Improvement of Education (FIE)** (page 680), and FIE only is counted as 1 of the 45 programs.
